NOTICE

The Graduate Aptitude Test in Engineering (GATE) has emerged as one of the bench mark tests for engineering and science aptitude in facilitating admissions for higher education (M.Tech./Ph.D.) in IITs, IISc and various other Institutes/ Universities/ Laboratories in India. It not only identifies the candidate's understanding of a subject and aptitude and eligibility for higher studies, but GATE score is also being used as one of the criteria for recruitment in Government Organizations such as Cabinet Secretariat, and National/State Public Sector Undertakings in India.

Keeping in view of the above, the Institute strongly encourages all the B.Tech. final year students to appear in GATE 2018 exam. We shall facilitate you for the same as per the following:

- Every student who qualifies GATE 2018 will receive a cash reward - Rs 3,000/- for those who achieves an AIR within 5000 and Rs 1,500/- for those who achieve a rank of 5000 or greater.
- 10 bonus marks in G.P for all students who qualify GATE 2018.
- 5 bonus marks in G.P for all students who appear in GATE 2018 but fail to qualify.
- Delegation of 7 days as per the schedule of GATE exam.
- GATE preparatory classes to be conducted in the campus.

At present, extensive training program is being conducted for enabling the students to be ready for the upcoming placement season. After the major placement drives are over, students shall be given ample time and also facilitated to prepare for the GATE 2018 examination.

Meanwhile, those B.Tech final year students who are not interested in placements but interested in GATE only may approach their H.O.D and submit an undertaking for the same. Such students shall be given relaxation from the ongoing training so that they can concentrate on GATE preparation with immediate effect. However, since the academic session has commenced, attendance shall be mandatory and they will be required to attend the institute regularly. These students may seek guidance from the faculty members and also indulge themselves in self study while staying in the campus.
