

PSITCOE/2018-19/760

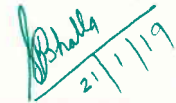

January 21, 2019

NOTICE

Of late, it has been observed that students celebrate their *birthday* in the Institute Campus in a very inappropriate manner (applying cake on face, use of party propz and doing physical pranks with birthday boy/girl). This results in turmoil, hooting and disturbing the non-participants in their surroundings.

The Institute Management has viewed the above act of students quite seriously. Therefore, in the interest of students themselves they are cautioned not to involve into such activities which come within the purview of violation of Guidelines as laid down in 'Student Guide Book' given to them.

Henceforth, any celebration of birthday that involves indisciplinary activities shall be severely dealt with besides imposition of penalty against the students whose names are reported.
